

FRE-PRO

Let's keep the world smelling fresh!

MYFRESH

THE AIR FRESHENER FOR YOUR PERSONAL SPACE

A new better way to freshen personal spaces. It's a targeted, cleaner, and more efficient system that creates better experiences.

FEATURES:

- Designed specially for small personal place: install within 1 meter of the user's upper body, not behind the user
- Dry fragrance and freshFan technology, leaves no residue
- Prevents nasal fatigue by releasing fragrance only when activated
- Hands-free motion sensor activation - high velocity fan runs periodically as long as the space is occupied
- Requires one AA battery

FRAGRANCE VARIETY AVAILABLE:

- Alpine Forest
- Coconut Vanilla
- Seaside Breeze
