ECO AIR 2.0

- CABINET AND FRAGRANCE

THE EASY ANYWHERE AIR FRESHENER

It's a passive air freshening system that requires no batteries or fans. For large spaces that need a simple odor solution. No matter what you put it in, or where you hang it, the Eco Air can not break or spill. It works well in restroom stalls, on restroom walls, conference rooms, entry ways, lobbies, trash rooms, or near soiled linens.

FEATURES:

- Freshens the air for 30 days
- Outperforms gels, wicks, and aerosols
- Uses no batteries or fans
- Fits in its own dispenser, and many others (for example: TC, Ecolab, Hospeco, Kimberly-Clark, Vectair)
- Can not break or spill
- 100% recyclable
- VOC compliant in USA and in Europe
 - Environmentally friendly

FRAGRANCE VARIETY AVAILABLE:

-  Fabulous (Lavender)
-  Kiwi Grapefruit
-  Mango
-  Cotton Blossom
